

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 6, 1995

SUBJECT: **SB 1627 - HB 1583**

This bill, if enacted, will set a maximum amount of \$300 for reinstatement fees a person would pay for revoked, suspended, or canceled actions against a person's driving record. Current law provides for a separate fee for each suspension offense.

The fiscal impact from enactment of this bill is estimated to be a decrease in state revenues of an amount in excess of \$1 million. This estimate was based on a survey conducted by the Department of Safety which indicated that approximately 11% of the persons paying a reinstatement fee paid more than \$300. In fiscal year 1993-94, \$11.7 million was paid in reinstatement fees. Eleven percent of this amount would be \$1.3 million.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
